

# BUY-A-TILE

## Commemorate your experience at PLYC by purchasing an inscribed floor tile during the Carman Center Committee's Buy-A-Tile campaign.

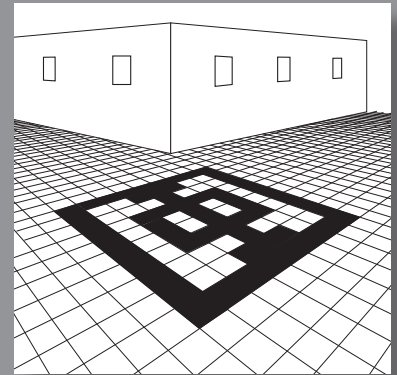

The Carman Center construction is well underway with phase 1 (the shower house and restrooms) completed. This beautiful new building will house a Welcome/Reception area, museum, office space, rest rooms and a lower level shower facility and storm shelter. The building is named in honor of Lady Sue and Sir G Carman in recognition of their over thirty years of service to Phantom Lake YMCA Camp.

### Buy-A-Tile Details:

The floor of the reception center will be comprised of 12' square tiles. A series of alternately colored tiles will form a Phantom Square in the center of the reception area, all of which are available for inscription.

- Reception area tile inscriptions are available with a four year pledge totalling \$1,000
- Special tiles, as part of the Phantom Square are available with a four year pledge totaling \$2,000

Additional information and order forms will be made available at the beginning of May. This is one of the many sponsorship opportunities available with this project. Please contact **Jeff Spang** at [jeff@phantomlakeymca.org](mailto:jeff@phantomlakeymca.org) for more information on these opportunities.

*Campers, staff and alumni will walk the halls of this facility and will better understand the importance of giving back to a place that has given us all so much.*

*"Sometimes the best way to figure out who you are is to get to a place where you don't have to be anything else."*
